

YOU'LL NEVER FORGET IT.

Coming face to face with the ocean's most amazing marine animal is a memory that will last a lifetime.

CATCH A RIDE!

JUST IMAGINE!

In our Dolphin Odyssey Experience you'll put on a wetsuit and then slip into the water to meet your new friends. Our trainer will be right there to guide you through this once-in-a-lifetime experience. You'll get to touch, feed and help train a dolphin. You'll even get a kiss! Then, it's time to grab hold of your new friend and take a ride through the water. It's just awesome! You'll have approximately 30 minutes in the water and you will remember every last one of them!

DISCOVER THE DOLPHIN EXPERIENCE

There's no greater thrill than getting in the water with these friendly, intelligent and graceful mammals. Two different dolphin interaction programs are offered at Dolphin Harbor. Both programs feature 30 minutes in the water as well as an in-classroom educational presentation and admission to Miami Seaquarium.

The Dolphin Odyssey program includes a deep-water interaction with a dolphin, including a ride with the dolphin across the pool. The Dolphin Encounter, great for families, is a shallow water program where the participants try their hands at training a dolphin.

A FULL DAY OF AMAZING SHOWS, TOO.

Your *Dolphin Experience* package includes all-day admission to Miami Seaquarium. So when you're not in the water with our dolphins, you can watch them put on a great show! Plus, see Lolita the Killer Whale, Salty the Sea lion and all our amazing friends and marine exhibits.
